

Davos Klosters.

The mountain professionals.

www.congress4u.ch supports global business leaders at the annual World Economic Forum (WEF) just as it supports small firms to organise special meetings: at the time you want (all year), as much as you want (from arrival to the parting gift), and where you want (at Davos Klosters, the largest holiday region in the Alps). At www.seminarerfolg.ch you can arrange your own meeting at any of a dozen specialised hotels.
