Kuoni Destination Management offers an all-inclusive travel and event service with a proven track record: its specialists have been organising seminars, meetings, group trips, incentives and conferences for more than 30 years. The organisation operates in all cities and regions of Switzerland, and knows neighbouring regions equally well. One of its particular strengths is the constantly expanding network of Kuoni Destination Management Companies (DMCs).

Farmers' Olympics.

Top summer and winter event
For team-building, the Farmers' Olympics are a big hit. A variety of fun contests and games are held in an authentic setting, complete with traditional barn, animals, and farmers' buffet (from 3 hours, 50 to 300 people).

Outdoor fun.

Suitable for unsporty types too
Nothing is impossible – from bungee-jumps, river-rafting expeditions and mountain-bike orienteering contests to tandem paragliding flights, balloon trips, go-kart races and toboggan rides (half-day to 2 days, 15 to 200 people).

007 adventure.

The name is Bond, James Bond
The tension is mounting... Slip into the shoes of 007, and solve a spy mystery – 2,970 m up, at the top of the Schilthorn cable car, where "On Her Majesty's Secret Service" was filmed (half-day to full day, up to 400 people).

Beer-brewing seminar.

A taste of success
Brew your own beer: in just half a day you can learn the key basics. At the end of the session, as a souvenir, you can take away as many bottles of your own beer as you like, complete with your own label.
